## Donations via George Web

You can always donate through George Web by creating a **regular SEPA transfer** and **entering the IBAN of your charity organisation of choice**. A special Donations function be available for George Web soon. We will update this article as soon as the donations feature is available for George Web.

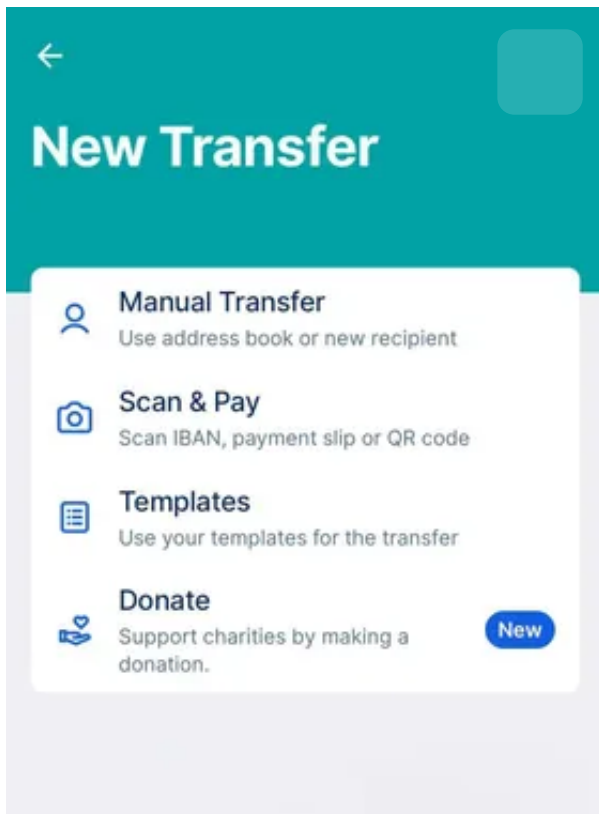

**To donate from your mobile phone:**

- 1. Open the George App on your phone.**
- 2. Select the account from which you'll make**

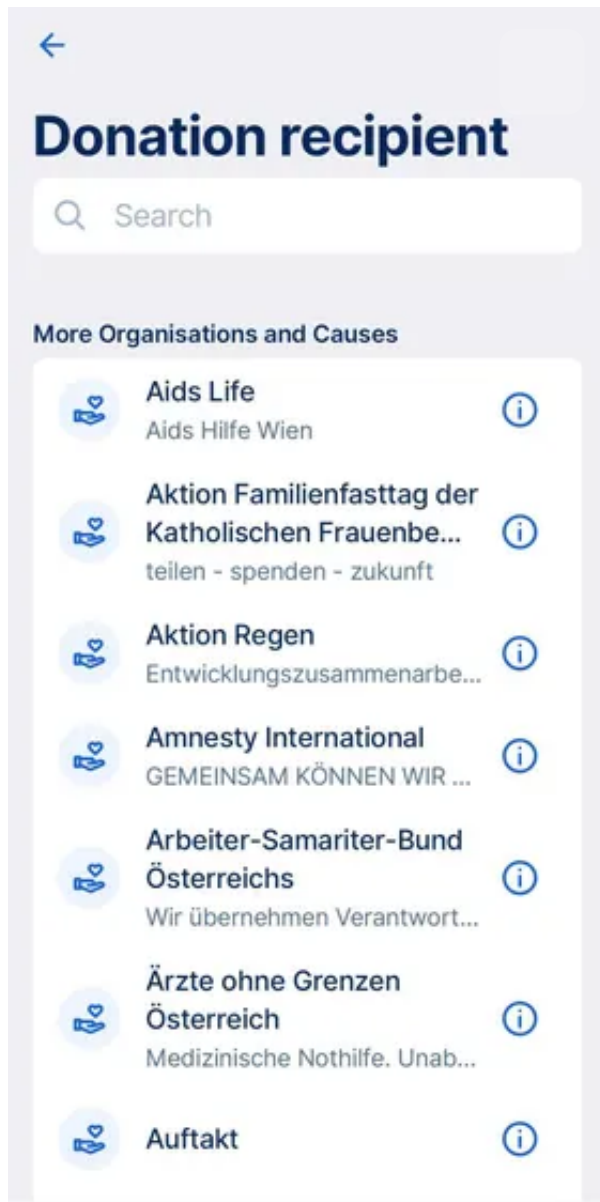

your donation.

3. Create a **new transfer**.

4. Tap on "**Donate**".

5. Select a **charity organisation from the list**. If you **cannot find** the organisation of your choice in the list, please **create a regular SEPA transfer**. We will continually expand the list.

### Please note

If you want to donate to a charity organisation that is not on the list provided, you can create a [regular SEPA transfer](#).

You **must enter your full name and birth date in the text field of a SEPA transfer to make your donation tax-deductible**. Unfortunately, we **cannot guarantee** that your donation will be **automatically deducted** from your taxes if you donate to NGOs that are not named in the provided list.

6. Please enter the amount you'd like to donate.

7. On the next screen you will find a summary of your donation.

#### **How to deduct your donation from your annual taxes**

You must **enter your full name as written on your residence registration form** together with your **birth date (DD.MM.YYYY) into the text field** in order for it to be automatically deducted from your taxes.

For more information on how this process works, please visit the website of the [Austrian Tax Authority](#).

If you want to donate to **another NGO of your choice**, you can create a **regular SEPA transfer**.

8. If everything is fine, you can tap on the **"Sign"** button and sign your donation.

9. After you've signed your order and as soon as George has executed it, you will find it in your **order list** under **"Executed orders"** as well as in your **account history**.
