Round Up Savings & Investments

Last Article Update 16.01.2024

Save money while spending it. With Round Up Savings, George rounds up every payment you make with your debit or credit card – and puts that amount into a savings account or adds it to your investment plan. This way, you can save or invest money easily and regularly.

Please note

Every investment carries chances as well as risks.

App

Start rounding up

From the overview, choose your giro account.

Go to "Functions".

Choose "Round Up Savings".

Read the information and get started by clicking on "Activate Round Up Savings".

Save money while spending it: I will round up each amount you spend with your Debit card/BankCard or your s Credit card and invest little amount by little amount into your savings account or - NEW - into your Investment Plan.

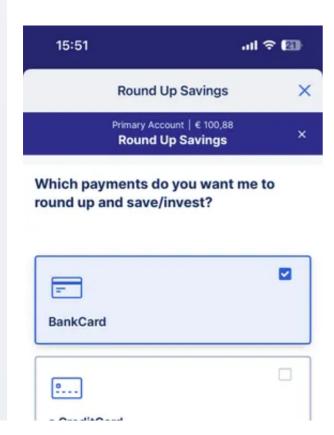

If you select your Investment Plan, I will invest the accumulated round-ups that reach your defined threshold according to your existing terms and conditions.

Moreover, please note the disclaimer: Every investment carries chances as well as risks.

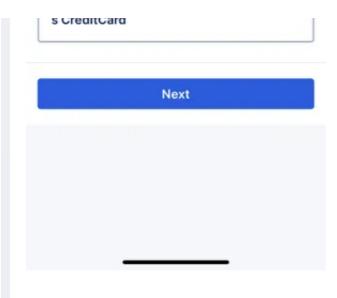

Activate Round Up Savings

Decide which payments George should round up.

It can either be credit card (s CreditCard) or debit card (BankCard) payments. Or both.

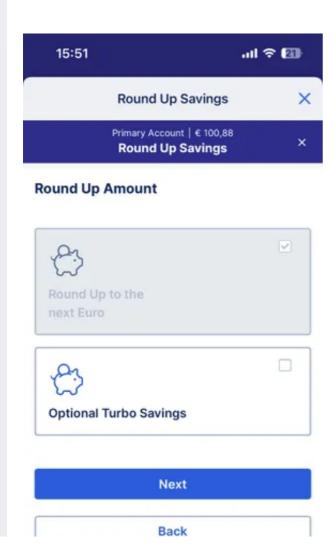

Round Up Savings & Investments 18.11.24, 19:19

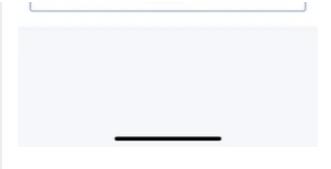

You can then set up the details on how much you want to save/invest.

The default setting is to always round up to the next Euro, but you can also add an additional "Turbo".
