Add some colour to your life – and your banking experience. As you might already know, George is all about making your individual banking experience g(e)orgeous for you. This includes support and services to help you find the right accounts and cards – but also personalising them in different ways. One way to do so, is to choose individual colours. It just takes a few simple steps ...

App

Change colour

Access George.

From your overview, choose the account or card for which you'd like to change the colour.

Click on those three dots at the bottom of the box.

Choose "Customise appearance".

You can also access the "Customise" area via your account's or card's "Functions" menu.
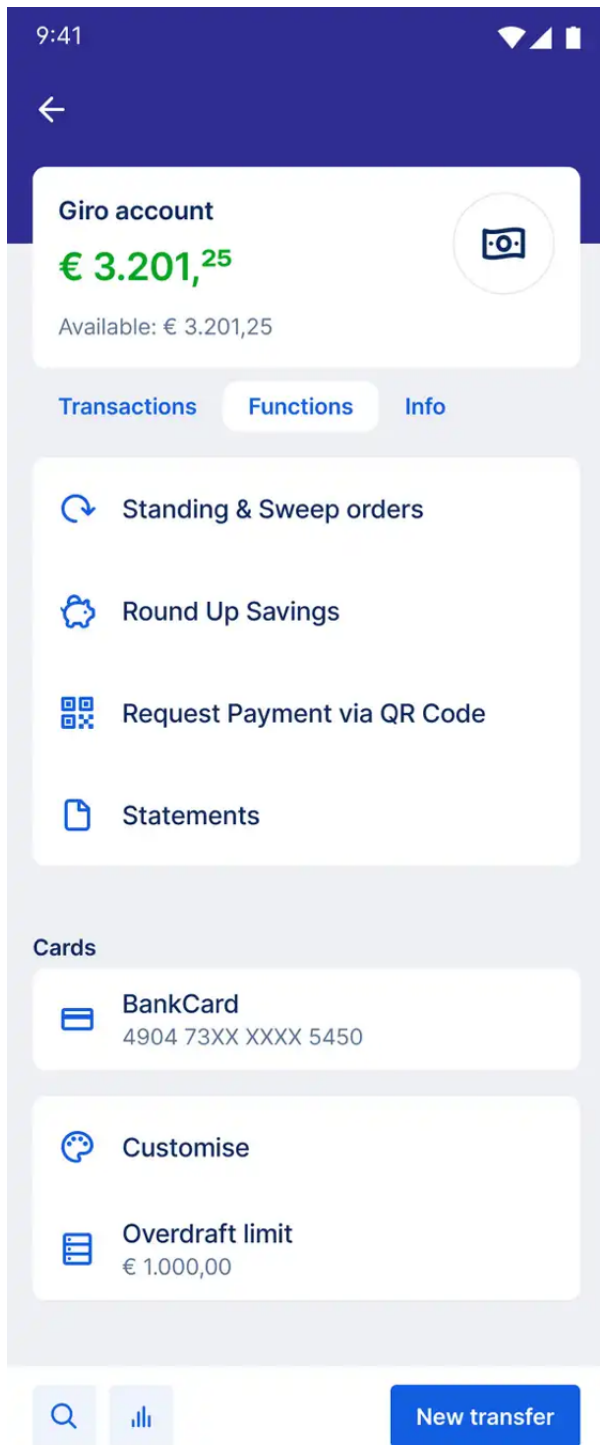

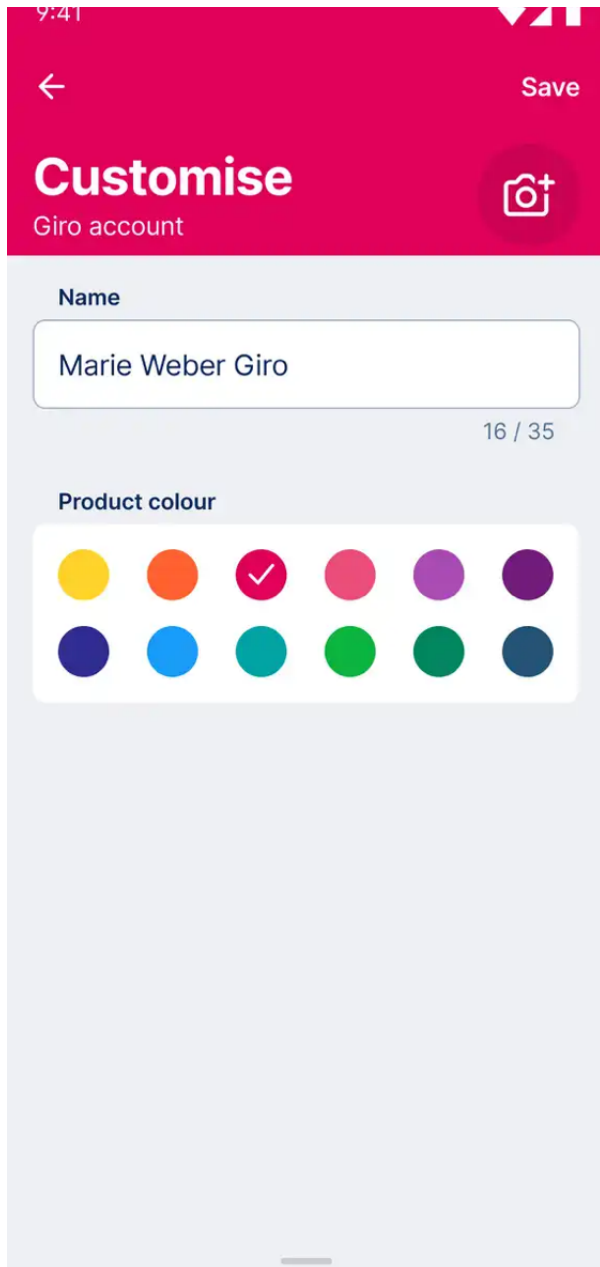

Choose one of our 12 g(e)orgeous custom colours.

Click "Save".

The colour of your account/card has been changed successfully.

Web Browser

Change colour

Access George.

From your overview, or via the menu item "Your Products", choose the account or card for which you'd like to change the colour.
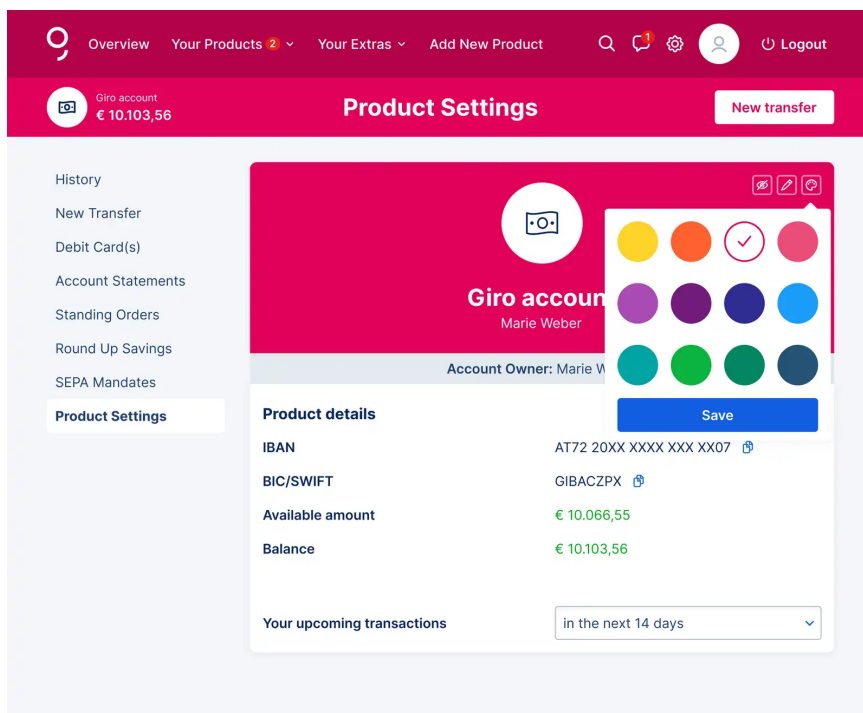

Go to the card/product settings.

Change the name by clicking on the colour palette symbol.

Choose one of our 12 g(e)orgeous custom colours.

Click "Save".

Alternatively, you can also change the colour of accounts and cards directly via the overview, by clicking on the three dots at the bottom right of the box. Just click on "Change colour", choose a George colour and save the changes.

Changing the colour of your accounts and cards is not the only way to personalise your g(e)orgeous banking experience. You can also work with **different pictures**, **change names** or **show and hide certain overview elements** to personalise George even more. Try it out and simply have some fun with it.
