Executed Orders

Last Article Update 21.07.2023
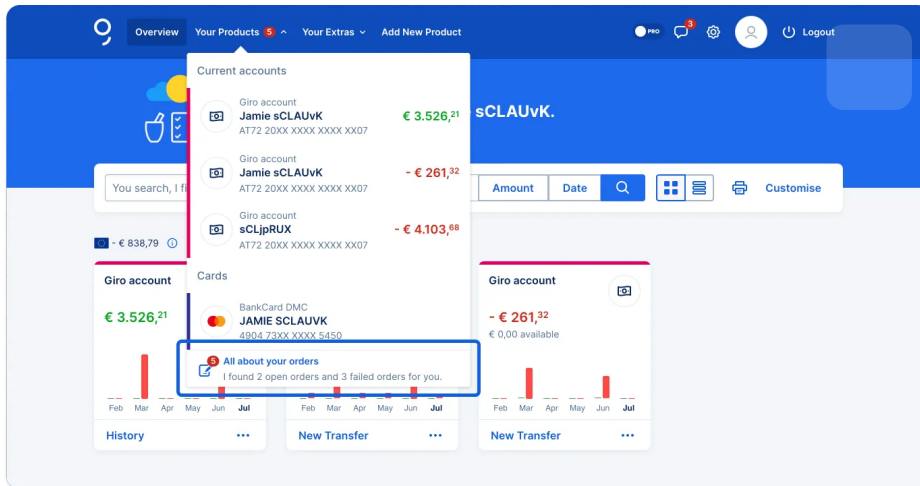

**With George, you can easily create and manage your orders. If you created an order and already signed it, George will list it in your order list as "Executed order" as soon as he executed it. Please find below what executed orders are and what you can do with them.**

If you created and signed an order - no matter if it's a standard **SEPA transfer**, a **foreign transfer**, an **own transfer**, a **tax authority payment**, a **direct debit** or any other type of transfer - George will display these orders **after** he **executed** them**.**

App
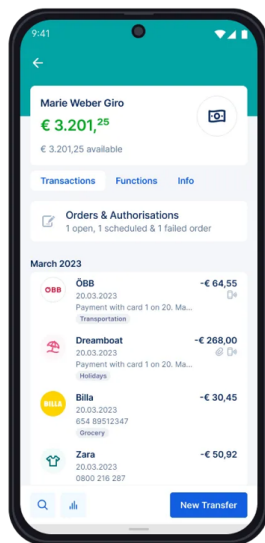

You can see your executed orders by opening George App and tapping on the respective account. Then, tap on "**Orders & Authorisations**". On top of the list, you will see the section "**Executed orders**".
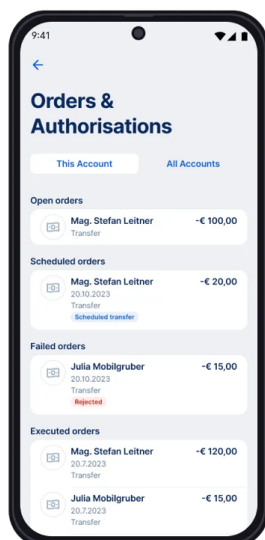

If you want to delete an order from your order list, just tap on the respective order and tap on "**Delete**". George will ask you if you really want to delete the order. If so.

you really want to delete the order. If so, click on "**Yes, delete**" and the open order will be deleted.

Web Browser
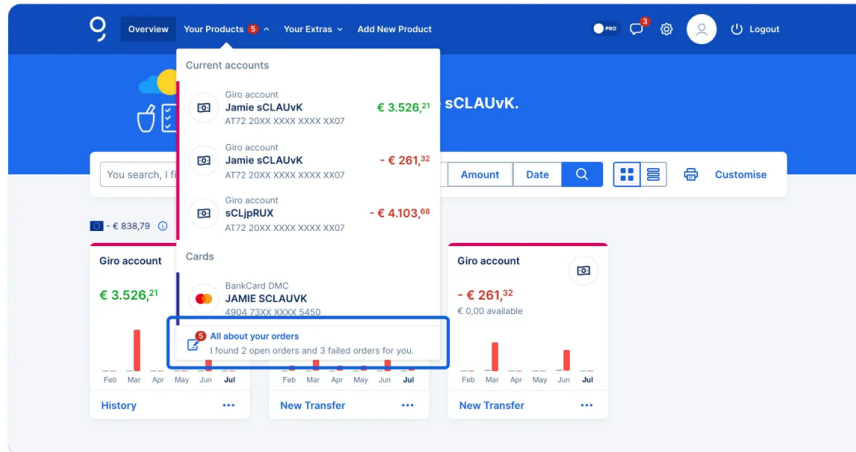

You can see your executed orders in the section "**All about your orders**". You will find them by clicking on "**Your Products**" in the top navigation and then by selecting "All about your orders" at the bottom of your products.

By clicking on an order, you can see all order details. You can also repeat the order, delete it from your order list, or print it.
